

YOUR TRUSTED PARTNER IN ALUMINIUM

TSL ALUMINIUM

www.tslwindows.com.au

Based in Melbourne, TSL ALUMINIUM SYSTEM is a leading manufacturer and supplier of premium window and door solutions. Powered by our extensive local warehousing facilities and an advanced, AI-driven management system, we deliver unmatched value across every stage of your project—from competitive factory pricing and uncompromising quality to precision installation and dedicated after-sales support.

Established in 2022, TSL has rapidly built a stellar reputation within the Australian building industry. We specialize in the supply and expert installation of high-grade architectural aluminium systems for both commercial developments and bespoke residential projects. Our comprehensive product range includes windows, doors, fencing, cladding, pergolas/canopies, and decking.

Our core team comprises industry veterans from long-established Australian aluminium and window companies, with each member bringing over 7 years of hands-on expertise. Driven by a commitment to craftsmanship, accountability, and meticulous attention to detail, we ensure every project meets and exceeds the highest industry standards (AS2047/AS1288). To give our clients absolute peace of mind, all our products are backed by a 10-year warranty.

We have earned the long-term trust of both local builders and global industry leaders. Proudly serving dozens of recurring partners across Australia, we have also delivered high-profile projects for renowned brands including Bunnings, Tesla, BYD, Icon, and Microsoft. Beyond Australia, our expert technical capability extends into North America, where we continue to deliver specialized installation services.

Built on precision engineering, reliability, and innovation, TSL is committed to elevating every space. Whether it is a multi-storey commercial build or a custom residential installation, we deliver tailored solutions that seamlessly combine durability, energy efficiency, and modern architectural aesthetics.

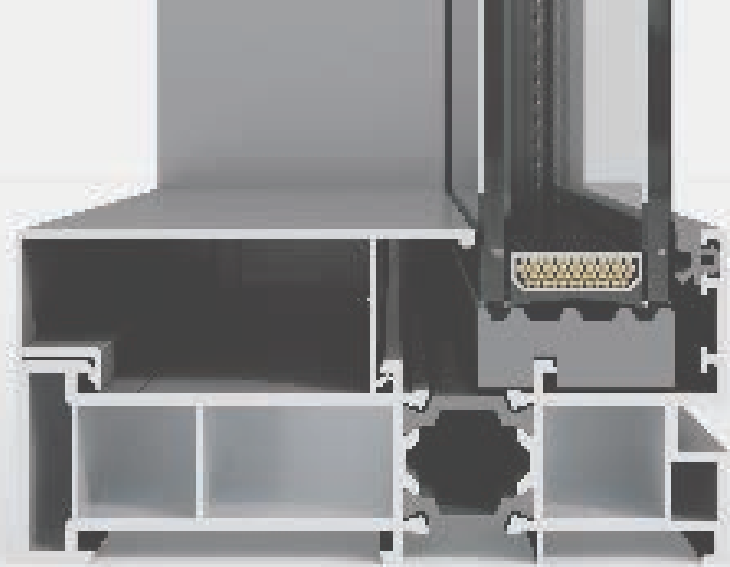

Unbeatable Windows & Doors for Your Projects – TSL ALUMINIUM
